## **Kurt Boutin**

Kurt Boutin has been a barbershopper for decades. He began as a young man, singing baritone in the now defunct Manchester NH Chapter. Some might suggest that Kurt was at least partially responsible for its defunctitude. Since then Kurt has been a member of the Nashua NH Chapter, with a brief sojourn in California. Kurt is an Assistant Director and Coach in Nashua. Kurt is a candidate to become a Society judge in the performance category. Kurt is the Director of Technology Services at Acapella Technologies. He also is the proprietor of a voice-over company. Kurt is a past international competitor with his quartet "On Air", and 2012 NED Champion. Kurt has been overheard saying that he owes his quartet success to his quartet mates, as he is the least talented of the group.

## Lakes Region Chapter **Jamboree Proceeds**

The funds from the Jamboree are distributed in the following manner. The first \$500 provides a scholarship to a PMHS student who is pursuing a musical education. Then all other expenses of producing the Jamboree are paid. The remaining funds are divided between the Alton Parks and Rec Department and the Lakes Region Chordsmen.

The LRC has used our entire portion of the proceeds for the LRC Youth in Harmony Fund. Since its inception, the chapter has been able to provide assistance with programs in the Lakes Region as well as a number of tuitions to attend programs like the Harmony Explosion Camp run by the NED/BHS.

You can help us to do more. Simply contact any member of the Lakes Region Chordsmen to learn more about the LRC YIH Fund and how you can help. Thank you!
